See your unit notice board for local PSS contact details.

The Chaplaincy Service

Provides confidential, comprehensive pastoral support and spiritual care to personnel at home and overseas.

Minister for Foreign Affairs & Defence, Mr Simon Coveney, TD, announced interim support measures for both male and female members of the Defence Forces, past or present, who have been affected by unacceptable behaviour in the workplace such as bullying, harassment, sexual harassment, discrimination or sexual misconduct of any kind. A totally independent organisation, Raisea concern, has been appointed as a Confidential Contact Person (CCP)

Raising concerns with the CCP is a preliminary information gathering phase which will inform guidance on follow-on options open to individuals. These options will differ depending on whether the individual involved is a serving or former member of the Defence Forces and on the nature of the allegations. This will allow each individual to make an informed decision in relation to next steps regarding their allegations. The CCP is entirely independent and outside of the Defence Forces Chain
